

Good Morning

Congratulations Class of 2010 !!

I would like to thank all of the parents and family members for coming today.

I have been experiencing some of the same feelings that I am sure many of you parents have had or you are feeling right at this moment.

My own daughter graduated in May and now is getting ready to go off to college this next fall, therefore my emotions have been somewhat like a rollercoaster because I feel so excited and so proud but yet so saddened in a way that is hard to describe with the time passing by so fast to see your child - is not a child anymore but now a young adult taking off in the next chapter of their life.

Enjoy this moment fellow parents!

One of my most favorite things about working at CRMS is getting to know all of you students. Your energy and spark for life is what keeps CRMS a unique community that many of the faculty and staff call "home". It feels so great that we can call many of the students of CRMS our friends. So thank you from the bottom of my heart!

At this time I would like to give a special fairwell to some of my friends who I will miss very much.

"To my friends from Korea": especially

**Aaron Nam**  
**Jae Yong Jin**  
**Sunny Park**

"You will always be my friend" – "CHEN GU YA"

To my good friend from Mexico"

**Juan Pablo Alcocer**

"You will always be my friend" – "SIEMPRE SERAS MI AMIGO"

And speaking to all of you seniors; whether you remember me as Marlin Rhodes or as the Business Office, Bookstore, or Allowance dude, please remember that you will always be considered a friend of mine and forever a part of us here at CRMS.

So as you receive your diploma think of it as receiving a key to the next chapter in your life and say to yourself. "Bring on the Goods" The Goodness of Life.

God Bless!
