

Colorado Rocky Mountain School

Dear returning CRMS families,

May 2010

Thank you for sharing your child with our community. We take very seriously our responsibility in the education and growth of all our students, and it is an honor to have an opportunity to work with your son or daughter this next academic year. Since 1953, Colorado Rocky Mountain School has been committed to providing all of its students with a well-rounded and balanced liberal arts education that prepares students for both college and their adult years.

The school year concludes with final examinations followed by an underclassmen-awards dinner, senior symposiums, coffee house, and our graduation ceremony. These community gatherings are the culminating experiences that help us to recognize the powerful experiences our students are a part of throughout the entire year. CRMS students engage in a unique educational experience, one that provides them with opportunities to be involved in a variety of different challenges which allow them to grow and develop so that they realize their personal potential.

This year's senior class has already departed on what are proving to be some wonderful senior projects. If you are able to visit campus for the senior symposium and the graduation ceremony on Friday and Saturday, June 4th and 5th respectively, you will experience an emotionally moving close to the academic year.

As we all begin preparing for next year, we ask that parents and students read carefully through the enclosed packet of information and forms. There are several forms that you must complete and return:

Health Forms	Fall Travel Information Form (for boarding students)
Parent Student Handbook Agreement	Parent/Grandparent Information Sheet
Roaring Fork Family Physicians Registration Form	Parent Pledge Form
Address/Phone/Fax/Email Update Form	Aspen/Snowmass Season Pass Agreement
Communications Contract	Student Computer Usage Policy Agreement

Please pay special attention to these and return them to CRMS no later than **July 1st**. All of these forms will also be available on our website (www.crms.org > Parents > Information and Forms).

In addition to the aforementioned forms, we have enclosed the most up-to-date school calendar, the summer reading list, and a referral form for friends or family who might be interested in receiving information about the unique learning opportunities at CRMS. Our Admission Office will follow up and make sure those referred receive a complete information package. Current CRMS parents are the best resource for recruiting and enrolling students who fit our curriculum and who will make positive contributions to our community. Thank you in advance for spreading the word about CRMS.

Enjoy the summer holiday, and we will see you next fall.

My best,

Jeff Leahy
Head of School
