

**MEMO TO: PARENTS/GUARDIANS OF BOARDING STUDENTS**  
**FROM: DIANE KAPAUN**  
**DATE: OCTOBER 1, 2010**  
**RE: THANKSGIVING BREAK TRAVEL ARRANGEMENTS**

My student's name is \_\_\_\_\_ . He/she is a boarding student.

**NOTE REGARDING "UNACCOMPANIED MINORS":** Over the last few years some parents (when purchasing their student's airline tickets for school breaks) have designated their student as an "unaccompanied minor" (due to their age). Once the child has been designated as such, the airline requires a designated adult to assist the child through the check-in process as well as to accompany the child to the gate until flight departure---and also an adult to pick up the arriving student at the designated gate on the return flight. Please be aware that faculty chaperon who accompanies our students on the charter bus to and from Denver International are working with up to 45 students per trip and are not able to provide individual check-ins or pickups for students riding the charter bus. If you designate your student as an unaccompanied minor, you will need to make chaperon service arrangements with your airline.

To assist students in traveling over the Thanksgiving Break, Colorado Rocky Mountain School is providing transportation on Saturday, November 20, 2010 via charter Gray Line bus from CRMS to Denver International Airport and on Monday, November 29, 2010 from Denver International Airport to CRMS.

**Departing from CRMS for Thanksgiving Break:**

- The charter bus leaves CRMS at 5:00 a.m. (Saturday, November 20).
- Your student's flight schedules should depart from DIA no earlier than 12:00 noon. This allows for a two hour airport check-in (required during this busy holiday time) and also allows for inclement weather delays the bus may experience en route to Denver.
- **Denver parents:** The bus makes one stop along the way at the El Rancho exit west of Denver (Evergreen), so students riding to Denver (but who do not wish to go to DIA) can be dropped off there for parent pickup (designate this pick up point when completing the next page).
- **Denver parents:** You may also pick up your student at DIA. Drive to the passenger pickup and drop-off area (Level 4) near the United door and meet your student there (designate this pick up point when completing the next page).

**Returning to CRMS after the Thanksgiving break:**

- Charter bus departs from the airport at 3:00 p.m. (Monday, November 29),
- Your student's flight should arrive into DIA **any time prior to 2:00 p.m. (but no later than that).** **This allow time for possible flight delays, bag pickup, and check-in with the bus chaperon before proceeding to the bus departure area.**
- **Denver parents:** Bring your student to Level 4 of the main terminal **at 2:00 p.m.** (designate on the form that your student will be dropped off at DIA)
- All students proceed to the Information Desk on Level 5 to check in with the chaperon.
- When all students are checked in, they will proceed with the chaperon to the bus departure area together.
- **Denver parents:** The charter bus will also make an additional stop at the El Rancho exit west of Denver and your student can be picked up there. Plan to be at El Rancho @ 3:30 p.m. (and designate on the form that your student will be dropped off at El Rancho).

**Students flying out of Aspen on November 20:**

- Your student may take any morning flight out of Aspen. We make all efforts to provide faculty driven shuttles to the Aspen airport in the morning. Students are normally taken in groups.

**Students flying into Aspen on November 29:**

- Plan your student's arrival time any time prior to 5:00 p.m.
- **CRMS will provide pickups twice that day prior to 5:00 p.m. and no pickups after that time.** After 5:00 p.m. transportation by public bus or taxi will be available from the airport to Carbondale. A taxi costs approximately \$110.

**NOTE:** If unscheduled travel complications make it impossible for your student to be back on campus by 9:00 p.m. Mountain Standard Time on Monday, November 29, please make arrangements for your student to stay overnight with friends or in a hotel and return to school the next day. Then notify Jennifer Ogilby, Dean of Students (970-274-0169), of your arrangements. We set 9:00 p.m. in the evening in fairness to our faculty members who provide ground transportation and pickups for your children and also prepare for classes the following day.

**PLEASE COMPLETE NEXT PAGE AND RETURN TO DIANE NO LATER THAN
