Canvas – Parent App Install

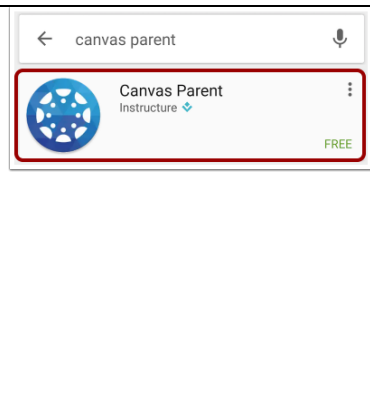

This document shows the process of downloading and installing the Canvas Parent App on your mobile device. If you are familiar with installing Apps, the process is similar to any other App you may have installed.

If you have any question or issues creating your account, please contact Eric Krimmer ekrimmer@crms.org and we will help you along in the process.

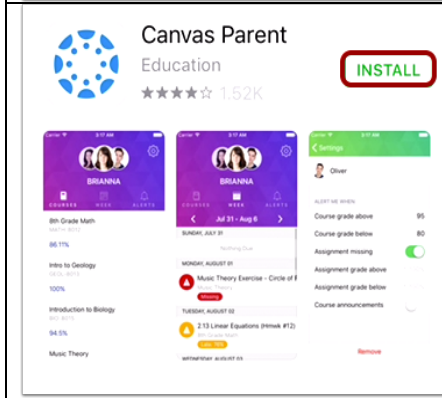

Install Parent App on Apple Devices	Install Parent App on Android Devices		
	<p>Open your iOS device and tap the App Store icon.</p>		<p>Open your Android device and tap the Play Store icon.</p>
	<p>In phone devices, tap the Search icon at the bottom of the screen.</p> <p>In tablet devices, tap the Search field at the top of the App Store.</p>		<p>In the app menu, tap the Search field.</p>
	<p>In the search field, type Canvas Parent in the search field. Tap the full name when it appears.</p>		<p>In the search field, type Canvas Parent. Tap the full name when it appears.</p>
