

Colorado Rocky Mountain School

CRMS TRAVEL GUIDELINES

WHEN MAKING TRAVEL ARRANGEMENTS, PLEASE KEEP THE FOLLOWING IN MIND:

- **A charter bus to and from Denver International Airport is available for Thanksgiving, Winter, and Spring Breaks only. We do not provide transportation for the beginning or end of the school year.** The bus is chaperoned by a CRMS employee. The charge is currently \$100 each way, subject to change. This fee will be charged to student bookstore accounts.
- When making reservations out of Denver International Airport, flights should depart no earlier than 12:00 PM to allow for traffic delays from Carbondale, baggage check-in, and security lines.
- When making return reservations flying into Denver International Airport, flights should arrive no later than 2:00 PM in order for students to check in with the CRMS chaperone for the charter bus ride back to campus. The charter bus departs DIA at 3:00 PM sharp and will arrive on campus at approximately 7:00 PM.
- CRMS provides shuttle service to and from the Aspen and Eagle Airports, and Glenwood Springs for students using Bustang or AMTRAK for \$25. These shuttles are driven by a CRMS employee.
- Bustang offers service from Grand Junction Regional Airport to Glenwood Springs.
- Flights arriving into Aspen Airport should arrive no later than 7:00 PM in order to allow faculty members to fulfill their other duties.
- Public bus transportation (RFTA) is available from the Aspen Airport to Carbondale, as well as from Glenwood Springs. High Mountain Taxi is available 24 hours a day.
- **Flight Delays:** If your child's flight is delayed into Denver International Airport and the charter bus has already departed, they will need to take a Roaring Fork Express or The Valley Hopper shuttle to CRMS. If their flight is delayed into Aspen Airport after the 7:00 PM window, please contact the Attendance & Front Desk Manager to notify them of any schedule changes.
- **Unaccompanied Minors:** The school is able to accommodate minors through the Aspen and Eagle-Vail airports or through airlines who do not require a chaperone if flying into DIA.

THANKSGIVING BREAK
